

## Haley Hudson

### Running for Alderman 4, City of Cumby

My name is Haley Hudson, proud mom of three beautiful daughters 2 of whom attend Cumby ISD. I work full-time for the Commerce Animal Shelter as a Kennel Tech/ Animal Control Officer, I love animals! My commitment to service runs deep—my mother also serves this city, and together our family is fully invested in the future and longevity of Cumby.

I am running for Alderman Place 4 because I believe Cumby deserves strong leadership with a clear vision. My heart is in this town, and my goal is simple: to help build a long-term plan for our community while addressing our immediate issues—starting with infrastructure. Until we create and commit to a real plan for infrastructure improvements, we cannot expect meaningful progress in any other area.

#### My Commitment to You:

- I will represent **YOU** and your families—not personal agendas.
- I will listen to your concerns, your ideas, your frustrations, and your hopes.
- I will work to ensure your voice is heard in every decision made for our city.
- I believe in real solutions, not temporary fixes.

Cumby is home. Together, we can build a foundation that supports growth while preserving the small-town values we all love.

Let's plan for tomorrow while taking action today.

I would be honored to earn your vote for Alderman Place 4. — Haley Hudson
