Running for Alderman 5, City of Cumby

I am running for Alderman 5 for the City of Cumby City Council. I have lived in Texas for over fifty years and have proudly called Cumby home since July 2020. I have served on the city council since October 2022. I hold a BA in Accounting and am a Certified Government Financial Manager.

I bring extensive management and financial expertise, having retired after 32 years of service in budgeting, accounting, and auditing for the U.S. Air Force, along with an additional 15 years of experience with Cutter Laboratories, Sears, and the County of Marin Public Works. Through my grant writing efforts, Cumby was awarded a Texas Parks and Wildlife grant for local park renovations—an achievement I am especially proud of.

Cumby is my home, and I remain committed to working hard for the advancement of our city and the well-being of all our citizens.
