Running for Alderman 4, City of Cumby

Hello, my name is Stanley Letke, and I am running for Alderman Place 4.

My partner and I moved to Cumby in 2017, but I have lived in the area for many years. I raised a family of six children and now have 19 grandchildren. Before my retirement in 2022 I worked in customer service, held management positions and even owned my own business. I was also a safety officer for OSHA. This has allowed me to gain a unique view of things and how to solve problems as well as budgeting.

I don't want Cumby to just be a city to live in, but be THE city to BE IN. I plan to achieve this by tackling problems head on by improving infrastructure in the city and attracting businesses to Cumby.
