

Steven King

Running for Mayor, City of Cumby

My name is Steven King...

1... I am a 45-year resident of Texas and a 13-year resident of Cumby.

2... I was honorably discharged from the United States Marine Corps.

3... I was a 25-year employee of E-Systems/ Raytheon/ L3, including 12 voluntary Tours of Duty in Kandahar Afghanistan.

4... I retired in 2018.

5... I am the divorced father of two, a son who is a law enforcement officer with Hunt County Sheriff's Office and a daughter that has a BSN in nursing. I am also the proud grandfather of eight terrific grandsons.

Vision... my vision for the city would be a city where Municipal Discord can be tempered with a rational discussion driven by measured fiscal responsibility toward the common goal of growing a healthy and productive City.

In my efforts to achieve these goals I promise that I will not lie, I will not steal, and that I will never do anything to tarnish the good name of my children and grandchildren.

Respectfully submitted, Steven William King
